HERE WE FUCKING GO!

"Someday you'll be dropped down" she said,  
Then i never cared anyway.  
Your life's approaching to an end,  
Mine is just set up to begin.  
So stop pretending  
you've been honest with me  
cause you're not even with yourself.

DON'T WASTE YOUR TIME!  
DON'T WASTE YOUR TIME TO JUDGE ME!

Now your game is over, this is what i see.  
Gotta find a way to get away from here

My life's the only thing I really own  
and every word you spoke's out.  
(WORD YOU SPOKE'S OUT)  
Don't tell me I'm evil  
While you're the deceiver.  
I will carry on proud  
Just breathe and shout it out loud!

Every lie has taken you down  
UNTIL YOU HIT THE GROUND.

I saw you start to tremble.  
Oh, what a great example  
to break down all your certainties,  
it's the taste of your insanity.  
So tell me what it feels like  
(what it feels like)  
When you're the one to blame  
When everything won't  
ever turn back the same.

DON'T WASTE YOUR TIME!  
DON'T WASTE YOUR TIME TO JUDGE ME!

Now your game is over, this is what i see.  
Gotta find a way to get away from here

My life's the only thing I really own  
and every word you spoke's out.  
(WORD YOU SPOKE'S OUT)  
Don't tell me I'm evil  
While you're the deceiver.  
I will carry on proud  
Just breathe and shout it out loud!

My life's the only thing I really own  
and every word you speak is worthless to me.
