### "Forgotten Generation"

Forgotten generation what is wrong with the day  
Forgotten generation what is wrong with the way  
Forgotten generation need a better life  
Forgotten generation need a place that fits the price

Living for nothing on the dole  
Nothing to do, nowhere to go  
Living for nothing, nothing to say  
We ain't got no money but we still gotta pay

Forgotten generation are the rebels with a cause  
Forgotten generation it's their own game with laws  
Forgotten generation are the people of today  
Forgotten generation, games of violence is what they  
play
