Hi, One Way is back again
We hot, we push
Now we want you to pull it, pull it

Everybody's talkin' 'bout
A new dance goin' around
A new thing that they call The Pull
Everybody's gettin' down

All you do is push it in
Then you pull it out
That's the dance they call The Pull
If you got it let me hear you shout

(Pull)
In and out
(Pull, pull)
Out and in
(Pull)
Go 'head, go 'head, let your body go
(Pull)
Go 'head let your body bend

(Pull)
In and out
(Pull, pull)
Out and in
(Pull)
Go 'head, go 'head, let your body go
(Pull)
Go 'head let your body bend

Nothing hard about the dance
Just do what the title says
If it tells you push, you pull
Go 'head, don't hesitate

All you do is push it in
Then you pull it out
That's the dance they call The Pull
If you got it let me hear you shout

(Pull)
In and out
(Pull, pull)
Out and in
(Pull)
Go ?head, go ?head, let your body go
(Pull)
Go ?head let your body bend

(Pull)
In and out
(Pull, pull)
Out and in
(Pull)
Go ?head, go ?head, let your body go
(Pull)
Go ?head let your body bend

(Pull)
In and out
(Pull, pull)
Out and in
(Pull)
Go ?head, go ?head, let your body go
(Pull)
Go ?head let your body bend

(Pull)
In and out
(Pull, pull)
Out and in
(Pull)
Go ?head, go ?head, let your body go
(Pull)
Go ?head let your body bend

(Pull)
In and out
(Pull, pull)
Out and in
(Pull)
Go ?head, go ?head, let your body go
(Pull)
Go ?head let your body bend

(Pull)
In and out
(Pull, pull)
Out and in
(Pull)
Go ?head, go ?head, let your body go

(Pull)
Go ?head let your body bend

Pull, pull, pull, pull, pull
Pull, pull, pull, pull, pull

Can I get this dance with you
You're looking so good, I'm told I can move
You see I've been checking you out girl
And I can tell you got rhythm in your bones

The way you move
(Fancy dancer)
Sure love, turns me on
You look so good, gonna pat yourself
(Fancy dancer)
You got rhythm in your bones

What's your name, name?
What's your name girl
(Fancy dancer)
If it's okay with me
I could love you, if I get to know you
(Fancy dancer)
I like your company

Can we pull, pull, pull, pull, pull
(Can we pull?)
(Fancy dancer)
Pull, pull, pull, pull, pull
(Can we pull?)
(Fancy dancer)

If you tell me no, sure will break my heart, girl
My heart's been set for you
I've been wanting just to hold you
When I seen you passing through

What's your sign girl?
What's your sign girl
(Fancy dancer)
If it's okay with me
I could love you, if I get to know you
(Fancy dancer)
I like your company

Can we pull, pull, pull, pull, pull
(Can we pull?)
(Fancy dancer)
Pull, pull, pull, pull, pull
(Can we pull?)

(Fancy dancer)

Pull, pull, pull, pull, pull

(Can we pull?)

(Fancy dancer)

Pull, pull, pull, pull, pull

(Can we pull?)

(Fancy dancer)

Pull, pull, pull, pull, pull

(Fancy dancer)

Pull, pull, pull, pull, pull
