Your love
is all I need
You're the key to my heart
Your love
Brings joy to me like it did from the start
Your love
It more than money can spend
more than just friends
I hope it never ends

You came in my life...
And made it so nice...
All that I need...
Your love
Hey hey hey

Your love
Is deeper than I thought it would be baby
Your love
But most of all it keeps me happy
Your love
If ever I lose your love I will never go on girl
Being the same

You came in my life
And made it so nice
All that I need
Your love

Your love
Your love
Your love
Hey hey hey

You came in my life
And made it so nice
all that I need

Your love
Is all that I need
Your love
is heaven to me

Your love
Is all that I need
Your love
Is heaven to me
Your love

All I ever need
Your love
And it brings joy to me
Its heaven on Sunday
Your love
Is all that I need
Your love

Is heaven to me
Your love
Oh, oh, oh yeah, my, my, my...
Is all that I need
Your love
Is heaven to me
Your love
Is all that I need
