Times are changing
new problems now would just rearranging
now i'm feeling down, making me brainsick
you get it now
you need a replacement

oh oh oh

i said babeh
i'm feeling like i'm going crazy
i feel like i may just need some more time
to think it over, with you!
yeah baby

so just leave alone
some time to think it over
just need an escape
some time on my own
don't like my time is over
cuz no one ever really
die(x8)

ohhh
hoo oh yeah
hoo(x2)

my heart is racing
no turning back because your full of racing
i know myself I won't be mistaken
and all the bullshit that you put me through
yeah yeah yeah

so just leave alone
some time to think it over
just need an escape
some time on my own
don't like my time is over
cuz no one ever really
so just leave alone
some time to think it over
just need an escape
some time on my own

don;t like my time is over
cuz no one ever really
die(x8)

ohh
hoo oh yeah
hoo(x2)
