I need to stop worrying about things I can't control
I need to stop worrying about the dollars I don't own
I gotta stop worrying about the things I cannot know
But sometimes it feels so good
Oh

Money don't matter if it feels for you
Money don't matter if you're
hah hah hah
Money don't matter if it feels for you
I used to worry everyday
Now I got better things

Need to stop hurrying slow down and take control
Gotta stop worrying about your problems you should
know
Need to stop feeling like my life is such a mess
Because the world has got me in it
It's my time and I should live it
Oh

Money don't matter if it feels for you
Money don't matter if you're
hah-hah-hah
Money don't matter if it feels for you
I used to worry everyday
Now I got better things

Cause it don't matter what the people say
It don't matter what the people do
Oh
It don't matter what the people say
Cause I say baby you gotta stop worryin'
Oh

Money don't matter if it feels for you
Money don't matter if you're
hah-hah-hah
Money don't matter if it feels for you
I used to worry everyday
Now I got better things
