[Verse 1]

I'm a cheater cheater winky beater I'm a baddy couldn't
keep her body so
Killer grim reaper, watch me play em like a big leaguer
ring leader nani
Gate keeper yeah I rocks skirts but got big balls like
Madea, I'm an animal
Giving you chicks something like swamp fever eager
beaver chewing on you
Rap chicks like a little ceaser, gah gah gah gah, I've
been had money I got
The old geyser block teaser put me in a cypher call me
man eater wife
Beater, on my tatas huh looking like a sky scrapper
pulling capers watch me
Mold this game like origami paper, I can't help it I take
big dumps give me
Toilet paper, I can battle ten hood dudes I'm a gang
raper, see you later
Alligator what you need a respirator, I'm the illest thing
that you've seen
Since the terminate why... Cause this is real music.

Your labels renovator, chick crusader
Now what you can do is bite me like an m and fing

You're a bodega I got more chains than a lion tamer I
keep chicks in their
Place,
Huh like a retainer
I got a container with a few shells and a no brainer you
can't blame her
