Verse 1:

I`m the one who opens doors of hope
To a new world full of joy and love
it`s my time to make a great impact
let`s get together and lets react

I clean the world, make the difference go
I stand for love, not the war for gold
I spread the seeds, you let it grow
Cause we all aim for a brand new world

Chorus:

Here`s a mystery, I reveal to you
Older than Egypt and the pharaohs too
Tonight the stars so bright
With sand under your feet
Feel the rhythm it can set you free
I`m the prince of Babylon
I`m the prince of Babylon
I`m the prince of Babylon
The Chosen one

Verse 2:

Enough of the anger
Spread love to the stranger
I build for the better
and let`s get together
Like water through fire
I reach my desire
I speak for my people
My voice is a giant

I clean the world, make the difference go
I stand for love, not the war for gold
I spread the seeds, you let it grow
Cause we all aim for a brand new world

Chorus:

Here`s a mystery I reveal to you
Older than Egypt and the pharaohs too
Tonight the stars so bright
With sand under your feet

Feel the rhythm it can set you free
I'm the prince of Babylon
I'm the prince of Babylon
I'm the prince of Babylon
The Chosen one....
