[VERSE 1]:

Come over here and sit closer to me
Coz we can dig our feet into the sand
Oh is this how love's supposed to feel?

Imagine the possibilities
Coz many things that can happen
If we dig our feet deeper and deeper

[HOOK]:

Hold my hand, and tell me that it's me that you're
wanting boy
Tell me tell me what you're thinking,
coz this is this is what I'm thinking right now

[CHORUS]:

Are our heads up in the clouds? (in the clouds)
High enough for you to reach me
Is this even real, are we for real

What's happening to me. (baby)

Are our heads up in the clouds? (In the clouds)
High enough for you to reach me (for you to reach me)
Is this even real, are we for real

Tell me....

[VERSE 2]:

So here we are, sitting side by side,
Recollections in my mind,
A space in my heart will always be there for you...
Somebody come and wake me from this dream

Don't you realize that you're my devise that
I keep coming back to you, boy no matter what I do....
(don't matter what I do)

[HOOK]:

Hold my hand, and tell me that it's me that you're
loving boy (loving boy)

Tell me tell me what you're thinking,
coz this is this is what I'm thinking right now

[CHORUS]:

Are our heads up in the clouds?
High enough for you to reach me (for you to reach me)
Is this even real, are we for real

What's happening to me.

Are our heads up in the clouds?
High enough for you to reach me
Is this even real, are we for real

Tell me....

Nobody knows, my heads about to blow
Coz I am feeling restless like a mafaka
Can't handle this shit right here

Oh oh...

Nobody knows, my heads about to blow
Coz I am feeling restless like a mafaka
Can't handle this shit right here (shit right here)

Oh oh...

Nobody knows, my heads about to blow
Coz I am feeling restless like a mafaka
Can't handle this shit right here (shit right here)

Oh oh...

Nobody knows, my heads about to blow
Coz I am feeling restless like a mafaka
Can't handle this shit right here (shit right here)

Oh oh...

Nobody knows, my heads about to blow
Coz I am feeling restless like a mafaka
Can't handle this shit right here (shit right here)

Oh oh...
