[Ron E Jones]

From the first time we met each other
I knew that weâ€™d be together I saw in your eyes
Was just a matter of time oh

[Nadhira]

Donâ€™t know if this feels like the real thing
Donâ€™t know what to do where do I begin
Donâ€™t know where to start should I let you in my
heart

PRE-CHORUS

And all it took was one touch one kiss
Iâ€™ve never felt loving like this
And I pray I wish we could have this forever oh

CHORUS

I told you from the very start
Was always gonna be about us
Just donâ€™t go and break my heart
Baby donâ€™t go and break my heart

I knew that we would make it this far
Now nothings gonna tear us apart
Just donâ€™t go and break my heart
Baby donâ€™t go and break my heart

[Ron E Jones]

Girl you know that now were together
I wonâ€™t leave your side forever
You know that Iâ€™m yours
Baby youâ€™re my only girl in the world

[Nadhira]

Now I have no reason to be alone
Fell in love with you you are now my home
I'll always be true donâ€™t want no one else but you

PRE-CHORUS

CHORUS

Ain't nothing gonna tear us
Ain't nothing gonna tear us
Ain't nothing gonna tear us apart (X2)
