He can only hold her for so long  
The lights are on but no one's home  
She's so vacant, her soul is taken  
He thinks what's he running from

Now how can he have her heart  
When it got stole  
So he tries to pacify her  
'Cause what's inside her never dies

Even if she's content in his warmth  
She is played with urgency  
Searching kisses, the miss misses  
The man that he longs to be

Now how can he have her heart  
When it got stole  
So he tries to pacify her  
'Cause what's inside her never dies

So he tries to pacify her  
'Cause what's inside her, it never dies  
So he tries to pacify her  
'Cause what's inside her never dies
