GO-GO-GO-GO-GO-Gurl Go,
GO-GO-GO-Gurl Go,
GO-GO-GO-Gurl Go O O O O

[Chorus:]

Come on, Come on, Come on Come on gurl,
Whats up gurl! Whats up gurl! Whats up gurl!, Whats
up!
You a bad girl you so bad girl
The way you working you'll make the club mad girl
You so bad girl ohh you bad girl
The way you working girl you make the club mad girl
You a bad girl ohh you bad girl
The way you working you gone make the club mad girl
You bad girl ohh you so bad girl
The way you working you gone make the club mad girl

[verse 1:]

You can bounce it and you can drop it you can twerk it
just keep working it
Put your back in it you know I like it got me hypnotized
and I cant stop watching it
They way you doing that you gone hurt your back,
You a dime spend some time in my Cadillac
Watching TV's and DVD's of the natalac
That's the biz from duval to North South cackalac
Aint no changing that hey this your nigga Nat

O.G step dad damn sho he got your back
Wanna hit like a AK rat-tat-tat
Act the fool wit my tool gotcha on you back
Your twats hot like a 38 special wit the hammer cocked
Daddy beatin up the G-spot You Know
Yeah! I Yeah! I Yeah! I Yeah!

[Chorus:]

You a bad girl you so bad girl
The way you working you'll make the club mad girl
You so bad girl ohh you bad girl
The way you working girl you make the club mad girl
You a bad girl ohh you bad girl

The way you working you gone make the club mad girl
You bad girl ohh you so bad girl
The way you working you gone make the club mad girl

[verse 2:]

Back it up on a player you know what you do
Don't act like you do know you make my shorts grow
Freak dance some more what's your number gurl
I gotta get it be fore I hit the door gurl
You so independent and got nigga spending
But a player wit the paper damn gone get it
You just havin fun you know you the one
Your dress full of sun good lookin back buns
Go head and show me some you know you the one
Thick thighs no lie makes me buy some
Drinks at the bar sip on some liquor
You'll get loose if a player buys up the bar
But you don't want me for my money
But he Know he gotta have a lil bit paper you know
Yeah! I Yeah! I Yeah! I Yeah!

[Chorus:]

You a bad girl you so bad girl
The way you working you'll make the club mad girl
You so bad girl ohh you bad girl
The way you working girl you make the club mad girl
You a bad girl ohh you bad girl
The way you working you gone make the club mad girl
You bad girl ohh you so bad girl
The way you working you gone make the club mad girl
Yeah that's what it is you so bad gurl
GO Gurl GO, GO Gurl GO, GO Gurl GO, GO Gurl GO [till
fade]
