Pimp in the city in my old school lac  
Hanging in the projects that's where it's at  
Everywhere that I go they say there go Nat  
A redbone nigga with 6 Cadillac's  
All Fleetwood's naw not Mercedes  
All women give me head or don't fuck with me  
Smoking head with ashy knees  
Swinging her head with her brand new weave  
The head, the honey, and the money  
That's right bitch I'm greedy  
I don't want much just all you got  
And you'll give it up when I hit your spot  
Everything I say is good good as gold  
Check a bare truth natalac episode  
I got a few bitches in the projects  
Aint got no job but they all get checks  
All still broke so guess what's next  
Yep Nat gone work that bitch  
Came up with a scheme in one minute  
Shes a fiend for the weed and sucking dick  
So after my nut and she washed my dick Yeah  
I smoked one then I thought of this  
I looked her in the eyes  
Said I take no shit and I got work for you Bitch

[Chorus:]

I'm the pimp of the city Yeah you cant fuck with me
