Can't drive this car without taking the wheel
O.K. baby I'll accept your deal
But I gotta let cha know how the big dogg feel
To raise your kids I won't have none of my own
I can live with that if you make me feel good at home
I'll accept the package if the package accepts me
It's five of you baby it's only one of me
That's five pairs of shoes at any store
And if I wanna pair, I gotta add one more
I give a lot up just to kick it with you
My job is hard but I'll do what I'm supposed to do

Spent thirty dollars on pizza, gotta fight for a plate

Thought about the Christmases and the gifts I gave
The times I tried to tech him when he was failing the

To take this abuse I can't take no more
I had to catch myself I thought it was time to go
But I been raisin little shorty since he crawled on the
floor
I said sit down boy pushed him down on the couch
You right I aint your dad but I'm the man in this house
You treat your mama bad she related you curse her out
You keep talking bad I'm slap ya dead in your mouth
