Ooh, your baby will always love you.
Even if you're stuck in hell,
You'll keep her smiling.
Ooh, your baby will always love you.
Even if you're feeling low,
You'll keep her shining.
Ooh, your baby will always love you.
Even if you got no diamonds,
You'll keep her smiling.
Ooh, your baby will always love you.
Even if you got no gold,
You'll keep her shining.

Ooh, I'm a sinner too and I'm telling you she's gonna
run to you.
Ooh, you're the only fool to save her sweet blues, like
you always do.

Aah,
Ooh, your baby will always love you.
Even if you're stuck in hell,
You'll keep her smiling.
Ooh, your baby will always love you.
Even if you're feeling low,
You'll keep her shining.

Oh oh oh,
Ooh, I'm a sinner too and I'm telling you she's gonna
run to you.
Ooh, you're the only fool to save her sweet blues, like
you always do.

Ahh,
Ooh, your baby will always love you.
Even if you're stuck in hell,
You'll keep her smiling.
Ooh, your baby will always love you.
Even if you're feeling low,
You'll keep her shining.

Hey Yeah,
Yeah yeah,

Hey Yeah.
