Flood this room
(Completely sealed)
With my regrets
(With water dark and cold)
Cold they climb

(It's rushing in)
Above my knees
(My heart begins to slow)
Slow enough for me to sleep
(So sorry, I lost my way)

Not worried or afraid
Just sorry I lost my way
In these sleepless dreams

Brace the doors
(Against my weight)
Don't let me out
(Not even if I scream)

Scream for help
(There's no one home)
This water's cold
(My heart begin's to slow)

Slow enough for me to sleep
(So sorry, I lost my way)
(I'm just sorry I lost my way)

Not worried or afraid
Just sorry I lost my way
In these sleepless dreams
Respect my last request
When you remember what it is

Flood this room
(Completely sealed)
With my regrets
(My heart begins to slow)
Slow enough for me to sleep

Respect my last request
When you remember what it is
Respect my last request
