If you had a crest upon,
You would look in it, I know,
You might just catch a glimpse
Of something like a rapper in the world.

Chorus:

I love my name!
I love my name!
I love my name!
Hurray, hurray!
The party is over, we can stay!
...take a back seat, wait for...
We can be animal or vegetable,
I'm in the role you know!

Chorus:

I love my name!
I love my name!
I love my name!
Hurray, hurray!

The party is over, we can stay!
The time... will...
From... to wake,
...I'll say the word, I've got my name,
Happy is the wise man,
Break a. and dig a grave!
Put you against the Earth,
Dying to say I love my name!

I love my name!
I love my name!

Chorus:

I love my name!
I love my name!
I love my name!
Hurray, hurray!

The party is over, we can stay!
