We could bail out either side, or take a rest  
Find me in the corner with your nervous laugh  
In my hesitation don't you pass  
I might be the only fool who cares  
But don't you feel like you're under this wave (of  
staggering charm?)  
One was set to carry you, and never came  
I was laying hungry but surprised to be  
But I sure love the way that you lingered here (/linger  
dear?)  
Once in a great while I could be (so bright? /right)  
And more than I can say it just feels awfully right  
(And borrowing every angle 'till it's centered in 'I'?)  
Don't be so bashful  
It's me in the shadows  
And I'm laying, groaning  
Until you find a way back to me  
Until you find a way to soothe me  
Well tell me, it's starlight  
It's stars in your eyes  
ooh...
