This is the ultimate!  
Or better yet is like, is like the inevitable  
Is no other level than this, nigger!

Chorus:  
Money talking, bullshit..  
Letâ€™s just keep it real!  
Tell my bitch the day you leave, you better be dressed  
to kill  
All I know is getting money and putting up with my  
team  
These niggers sleeping .. plus living out my dream  
Cause donâ€™t know, donâ€™t know, donâ€™t know,  
donâ€™t know  
Inevitable, go strong, go strong, go strong, go strong  
Go strong, go strong, go strong, go strong

Imagine where I stay though  
Eating good andâ€¦  
Just chilling with my â€¦  
..bandanna type like lâ€™m real bro  
I canâ€™t go where I canâ€™t go  
I do smoke what they canâ€™t smoke!  
May do what that..  
lâ€™m on the way to that Lambo!  
Hard man, I wish pops was here  
But heâ€™s gone, I know everything  
lâ€™m sure of not lâ€™m not to fear  
Being insane is what got me here  
I was â€¦ when the block was clear  
Donâ€™t ask niggers what the old rules  
A couple of grands to get you out of here  
she in the hood I take itâ€¦  
And sheâ€™s sitting here just wondering in the days  
what Godâ€¦  
lâ€™m in the streets, getting so hot like itâ€™s oven  
here  
Yes, niggers going locked up  
When we meet I guarantee is gonna feel like weâ€¦  
Plus niggers know no bad luck  
Anything that came our way  
Show me how to think faster

How to get paid until don't matter, yeah!

Chorus:

Money talking, bullshit..

Let's just keep it real!

Tell my bitch the day you leave, you better be dressed  
to kill

All I know is getting money and putting up with my  
team

These niggers sleeping .. plus living out my dream  
Cause don't know, don't know, don't know,  
don't know

Inevitable, go strong, go strong, go strong, go strong  
Go strong, go strong, go strong, go strong

Round, round my city slow

You all should know just what I see

I put it in my videos

My .. she way up

Just chilling on her patio, me I'm just!

Driving fast, out here fucking all them girls

that claim they love me, and they want me

And they need me, when that's!

But when I'm gone, you're on your own

You're not home watching TV

you're in every club, and every face

And every nigger eating

And those niggers that you're fucking with

They keep me on repeat

and you'll be praying that!

Damn! nigger got real lost

Real lost that!

Young ass nigger will always steal balls!

Money came and I got paid,!

Popps dies and that's more pain

That's more weed than.. plus bad whores and  
champagne

Louis coat cause we're in the rain with nothing to  
lose

everything to gain!

Chorus:

Money talking, bullshit..

Let's just keep it real!

Tell my bitch the day you leave, you better be dressed  
to kill

All I know is getting money and putting up with my  
team

These niggers sleeping .. plus living out my dream  
Cause don't know, don't know, don't know,  
don't know

Inevitable, go strong, go strong, go strong, go strong  
Go strong, go strong, go strong, go strong
