I'm leaving, I'm screaming  
I'm walking through a freaky town  
This moment won't go ahead I  
Feel love down  
I'm crying, I've done it  
So what we gonna face tonight?  
I'm so afraid but don't worry  
It's gonna be alright  
We kept on doing it  
We rip all our broken time  
And now we're talking  
You don't wanna think, think twice  
Let's blow the dust  
Forgive me  
I wanna get you and feel your taste ohâ€!  
Let's blow the dust  
Forgive me  
Just wanna get you and feel your taste  
I'm leaving, I'm screaming  
I'm walking through a freaky town  
This moment won't go ahead I  
Feel love down  
I'm leaving, I'm screaming  
I'm walking through a freaky town  
This moment won't go ahead I  
Feel love down  
I'm crying, I've done it  
So what we gonna face tonight?  
I'm so afraid but don't worry  
It's gonna be alright  
Feel love down...
