Like the clouds overhead  
Like the earth beneath  
Under every ocean  
In between our minds  
Tick Tick Tick  
Goes the hands of time  
Senseless worries  
Based on a short window of time  
The truth could not be further

Cyclical timing  
Entriclical priming  
As sure as the earth is round  
All answers can be found

Cyclical timing  
Hytrical priming  
The evidence is scattered  
Cyclical timing  
Hytrical priming  
Our thoughts are polluted and battered

Like the winds from the North  
Like the call of the wild  
Above every tree  
Outside every soul  
Repetition leads us to assure  
The will for change desired  
Can not change the powerful  
All have known yet still they doubt

Cyclical timing  
Entriclical priming  
As sure as the earth is round  
All answers can be found

Cyclical timing  
Hytrical priming  
The evidence is scattered  
Cyclical timing  
Hytrical priming  
Our thoughts are polluted and battered
