Trapped in this cage
With myself
The same black bars
Fill me full of rage

(From an unspeakable past, I grace your life)

Close your eyes
Rest your mind
I am the white one
Iâ€™ll speak
Iâ€™ll scream
Iâ€™ll keep you awake
I am the white one
Iâ€™ll torture
Iâ€™ll make you hear my pain

Losing my mind
I repeat after you
From my pain
You pull your pleasure
Keep your distance
Save yourself
One more step
And Iâ€™ll rip into you

(There are only a few who are on my side, for all the rest)

Close your eyes
Rest your mind
I am the white one
Iâ€™ll speak
Iâ€™ll scream
Iâ€™ll keep you awake
I am the white one
Iâ€™ll torture
Iâ€™ll make you hear my pain

Close your eyes
Rest your mind
I am the white one

Iâ€™™ II speak
Iâ€™™ II scream
Iâ€™™ II keep you awake
I am the white one
Iâ€™™ II torture
Iâ€™™ II make you hear my pain
