Intro:

Yea

Mmm mm mmm

Baby I give it all to ya

You know

The skittles, the m&ms, now and later

Whatever you want, whatever you need

Verse 1:

Confessions of a love aholic

I'm talkin no bark

I'm aimin' at you like a mark

And I'm, intending to win you

Since you, there ain't never been another similar

I'm into you

Maybe this winter we can cuddle closely

Listenin' to Luther, eatin' french toast

And wakin up weekends to watch cartoons

Hit the downtowns, and make bedroom boom

If you are interested, please respond

Hit on the hip and take my arm

Let's walk around the corner, wit our noses up

Cuz for rich or poor, it's you I boast of

Toastin of, our bond is one

I cherish, leave no

I'll never dare it

Your all mines I swear it

I swear it, I swear it

Chorus:

I love you baby

I'll share my skittles wit you

I'll jump up over the moon

Just pinky swear that you love me

And promise that you'll be there

I ain't goin nowhere

Not even, for a minute

Do you hear me, baby?

Verse 2:

Confessions of a tease aholic
Iâ€™m rockin this fresh ass snap back
And leather kicks
These kids donâ€™t know what grown is
You and me make em wish
For the finer things and the realest love
Lust on swole, we smoke the clubs
Too hot to touch, and too cold to wonder
What we mightâ€™ve been
If we wasnâ€™t lovers
I donâ€™t bother those thoughts, there irrelevant
Come closer, ahh, bring your scent
Donâ€™t forget your lips, and those eyes for real
Like DeeLe, you got that whip appeal
If you stick near, and hold me down
Iâ€™ll do the same and tattoo your name
Iâ€™ll do the thing
Iâ€™ll do the thing

Chorus:

I love you baby
Iâ€™ll share my skittles wit you
Iâ€™ll jump up over the moon
Just pinky swear that you love me
And promise that youâ€™ll be there
I ainâ€™t goin nowhere
Not even, for a minute
Do you hear me, baby?

I love you baby
Iâ€™ll share my skittles wit you
Iâ€™ll jump up over the moon
Just pinky swear that you love me
And promise that youâ€™ll be there
I ainâ€™t goin nowhere
Not even, for a minute
Do you hear me, baby?

Break:

Whatever you want
Whatever you need
Got the lil candy sticks, choco sticks you know
Doritos, Fritos
Itâ€™s all about you you you

Chorus:

I love you baby

Iâ€™ll share my skittles wit you
Iâ€™ll jump up over the moon
Just pinky swear that you love me
And promise that youâ€™ll be there
I ainâ€™t goin nowhere
Not even, for a minute
Do you hear me, baby?

I love you baby
Iâ€™ll share my skittles wit you
Iâ€™ll jump up over the moon
Just pinky swear that you love me
And promise that youâ€™ll be there
I ainâ€™t goin nowhere
Not even, for a minute
Do you hear me, baby?
