### Verse 1

The unforgiven please stand up, with the hate in your eyes,  
Tell the whole world who you are, with no compromise,  
Weâ€™re the new breed of life, with the world falling down  
Weâ€™re the user, the abuser, when thereâ€™s no one around  
So we say stand up and fight now, for what you believe in  
And fuck the whole world, weâ€™re gonna leave them all bleeding,  
Weâ€™re a freak on a leash, thatâ€™s why those people avoid us,  
Wrote this song to make a point that you cannot destroy us,  
Weâ€™re the world with no freedom, just the cash that they stack  
So weâ€™re Never A Hero and weâ€™re taking it back

### Chorus 1

Take my wings please let me fly  
Fuck this new world let me die  
Worlds for haters, god knows why  
You never do what I tell you to do  
OOH  
War corruption guns and drugs  
The angels cry from above  
Watch the earth as it starts to burn  
What you get is what you earn

### Verse 2

So what you got there, you got your bitch and your ho  
She must have been at least twelve, when her parents left home  
She was walking the streets; she was trying to get by  
Then you showed up and you drove up and you told her a lie  
You said: Why not come and be a player for me?

It's glamour, it's paid and the drugs are free,  
Every little girl wants to be a daisy. I will take you, I will  
make you  
Just out of sympathy.  
The societies lie. Turn another blind eye,  
To the maggot, coked up faggot snorting powdered  
white lines

#### Chorus 2

Take my wings please let me fly  
Fuck this new world let me die  
Worlds for haters, god knows why  
You never do what I tell you to do  
OOH  
War corruption guns and drugs  
The angels cry from above  
Watch the earth as it starts to burn  
What you get is what you earn

#### Chorus 3

Take my wings please let me fly  
Fuck this new world let me die  
Worlds for haters, god knows why  
War corruption guns and drugs  
The angels cry from above  
Watch the earth as it starts to burn  
What you get is what you earn
