### Verse 1

Oh say hello to the people in front of me,  
Strutting around like they're on TV  
Look at the fact that you're just like the rest  
Cos your dad's into drugs and your mum is a  
mess

### Chorus 1

Do you feel like you were robbed  
From a life you made yourself  
And you just don't understand  
Why nobody wants to

### Verse 2

Oh help me when I'm walking the streets  
When I'm drunk and I'm jobless and I'm  
trippin' on speed  
The looks that I get I just can't explain  
I'm depressed, pathetic, I'm going insane  
I walk to a bar and I fall through the door  
A blurred fuzzy feeling so I puke on the floor  
The bastard just tells me to get up and leave  
Help me to see I want to be free

### Chorus 2

Do you feel like you were robbed  
From a life you made yourself  
And you just don't understand  
Why nobody wants to

### Middle 8

So I'm gonna be left alone  
WO OH  
Going on the open road  
WO OH  
Will you come in and hold me tight  
Don't leave me to be here on my own
