Never needed no one to tell me what to do
Never needed no one 'til I needed you
But I'm ready now ready now yeh.

Never needed no one 'til you called my name
Never needed no one it's a crying shame
But I'm ready now ready now yeh.

Give me three good reasons to walk away
I'll give you one good reason to stay
Baby don't tell me lies
Look me straight in the eyes
If you love me
Stay

In and out of love I never cried before
Always taking chances always wanting more
But I'm ready now ready now yeh.

Give me three good reasons to walk away
I'll give you one good reason to stay
Baby don't tell me lies
Look me straight in the eyes
If you love me
Stay

Listen to me baby I'm pouring out my heart
You keep saying nothing don't leave me in the dark
Cause I'm ready now ready now

Never needed no one to tell me what to do
Never need no one but God knows I need you
Cause I'm ready now ready now

Give me three good reasons to walk away
I'll give you one good reason to stay
Baby don't tell me lies
Look me straight in the eyes
If you love me
Stay

If you love me. stay

If you love me. don't go away
