Betty's shining shoes out on the porch again  
Doing mama's chores they seem they'll never end  
I been daydreaming bout a better way  
To make betty's day

Come down to the river now  
Come down where it's cool  
Come down to the river now  
Just for a day be a fool

Betty wears her boyfriends jeans  
Well he don't need 'em  
He ran away it's been five years since last she seen  
him  
I got a strange feeling he'll come back some day  
To make betty's day

Come down to the river now  
Come down where it's cool  
Come down to the river now  
Just for a day be a fool

Well I hear Betty cry at night  
Don't cry girl it's gonna be alright  
Some day soon you're gonna find a way  
Could be tomorrow it could be today  
Don't cry Betty c'mon  
He's gonna come back  
He's gonna steal you away  
Oh Betty come on  
Betty come down  
Betty come down  
Betty come down

Come down to the river now  
Come down where it's cool  
Come down to the river now  
Just for a day be a fool

Just have one day for you
