Sit awkward in my car when I drive us to the park
BOOM clap clap BOOM clap
Listen to the beats of the people on the streets
BOOM clap clap BOOM clap
We make it to the park and the clouds are getting dark
BOOM clap clap BOOM clap
We sit under a tree and listen to the leaves
BOOM clap clap BOOM clap

I make you laugh, you make me sigh
but the whole time i wonder why
I'm not a nice girl, I'm not the sweet kind
but it's nice to be with a sweet guy
You're such a neat guy
I could make you happy if you were with me
I want to kiss you
I want to see you, I hate it when I miss you

We finally make it home and we are all alone
BOOM clap clap BOOM clap
I want to watch a movie something to fall asleep to
BOOM clap clap BOOM clap
we're sleeping on a twin bed with a comfy bed spread
BOOM clap clap BOOM clap
i kiss you while we're sleeping, please don't think I'm
creepy
BOOM clap clap BOOM clap

I make you laugh, you make me sigh
but the whole time i wonder why
I'm not a nice girl, I'm not the sweet kind
but it's nice to be with a sweet guy
You're such a neat guy
I could make you happy if you were with me
I want to kiss you
I want to see you, I hate it when I miss you

You aren't really funny, but still really lovely
I cut your hair once, I'm really quite sorry
that it turned out kind of funny
but I still really like you.
