boo to the human condition
boo to the hearts rendition
of la la la la la love

boo to my hearts suspicion
boo to the humans tradition
of la la la la la love

i need a house physician
to help my malnutrition
of my ha ha ha heart

i need recognition
for my petition
to save my ha ha ha heart

and the rain drops fall from saturated skies
and create grand puddles in our weeping eyes
because hurricane love destroys our lives
and we'll rebuild if our heart survives

(hurricane love)

cease dumb intuitions (and)
lazy decisions
of la la la la la love

cease combat missions (and)
an opposition
of la la la la la love

expect false relations (and)
high expectations
of the ha ha ha heart

expect a high commission (and)
competition
for the ha ha ha heart

and the rain drops fall from saturated skies
and create grand puddles in our weeping eyes

because hurricane love destroys our lives
and we'll rebuild if our heart survives

(hurricane love)
