Newburgh - Where Are You Tonight
Â© Matt Mullen 2010

Verse

Walking down this same old street
I see your face in everyone I meet

Time lingers on then moves too fast
holding on to make it last

Day breaks and it's time to go to sleep
Another night of promises you couldn't keep

pick up the phone to call you one more time
why are you still on my mind

Chorus

Where Are You Tonight
Where Are You Tonight
Where Are You Tonight
Please come again in the morning light

Verse

Time after time I called your name
Thought you and I were one in the same

Your love hit me with an endless blow
Now you're just someone I used to know

Chorus

Where Are You Tonight
Where Are You Tonight
Where Are You Tonight
I won't let go without a fight

Where Are You Tonight
Where Are You Tonight
Where Are You Tonight
Please come again in the morning light

Where Are You Tonight
Where Are You Tonight

Where Are You Tonight
I won't let go without a fight
