Katherine:

Till the moment I found you
I thought I knew what love was
Now I'm learning what is true
That love will do what it does

The world finds ways to sting you
And then one day decides to bring you
Something to believe in
For even a night
One night may be forever
But that's all right
That's all right

And if you're gone tomorrow
What was ours still will be
I have something to believe in
Now that I know you believed in me

Jack:

We was never meant to meet
And then we meet
Who knows why
One more stranger on the street
Just someone sweet passing by

An angel come to save me
Who didnt even know she gave me
Something to believe in
For even a day
One day may be forever
But that's okay
That's okay

And if I'm gone tomorrow
What was ours still will be
I have something to believe in
Now that I know you believed in me

Both:

Do you know what I believe in
Look into my eyes and see

(Spoken)

Jack:

If things were different

Katherine:

If you weren't going to Santa Fe

Jack:

And if you weren't an heiress

And if your father wasn't after my head

Katherine:

You're not really scared of my father

Jack:

No, but I'm pretty scared of you

Katherine:

Don't be

Jack:

And if I'm gone tomorrow

Katherine:

What was ours still will be

Both:

I have something to believe in

now that I know you believed in me

Jack:

I have something to believe in

Both:

Now that I know you believed in me
