I cut myself on you again last night
'Cause you are the addiction that runs through these
veins

Oh, if I could be around you
Wrap my arms around you, you'd be the one
But no, oh now that I have found you
Oh the miles surround you, you can't be the one for me

I still taste you on my lips
I bite my tongue
'Cause you are the addiction that runs through these
veins

Oh, if I could be around you
Wrap my world around you, you'd be the one
But no, oh now that I have found you
Oh the miles surround you, you can't be the one

I don't know what to do
I'm in love with you
But you can't be the one
For me
