As I learn to fly,  
Like the white bird of the sea  
I feel the immortal magic of the Etherial  
With sun glowing,  
Sun Glowing like gold

Shine - like the sun  
Fly - to the stars

Life is the unknown in the feast  
Of this gears beauty  
In the non dimension rainbow

If I could fly Shine...  
Frequently I see things in the air,  
Sad visions,  
Invisible for the masses to see...

And the sense of a flower  
Brings them into deep thoughts

If I could fly

Shine...
