Come walk with me through the pines  
In the morning sun.  
The birds are singing in the pines  
In the morning sun.

Come stand with me, my darling one,  
Among the trembling pines.  
We feel His presence all around  
Fire in the sky.

You can't hold me  
I'm too slippery  
I do no sleepin'  
I get lonely  
You can touch me  
If you want to  
I got poison  
I just might bite you

Lie in circles  
On the sunlight  
Shine like diamonds  
On a dark night  
Ain't no mercy  
In my smilin'  
Only fangs and  
Sweet beguiling

Future, he don't  
Try to find me  
Skin I been through  
Dies behind me  
Solid hollow  
Wrapped in hatred  
Not a drop of  
Venom wasted

You can slip in  
Try to find me  
Hold your breath and  
Flat deny me  
It makes no difference

To my thinkin'  
I'll be here when  
You start sinkin'.
