Baby - you knock me down  
Like a fucking disease  
Baby - you work it out  
'til I'm down on my knees  
Baby - you keep me down  
Though I'm begging you please  
Baby - and now I know  
There's no fucking release  
Dusk in my heart -  
Another day, another night,  
Another... bullshit! another compromise  
Dusk in my mind -  
Another war, another fight,  
Another... bullshit! another false advice  
Burn my head now honey!  
You're just another disease  
Burn my head now honey!  
Blow my brains out honey!  
Just like another disease  
Blow my brains out honey!  
Baby - you burn me out  
Like a fucking desire  
Baby - you spin me round  
And you set me on fire  
Baby - I want you now  
Though I know you're a liar  
Baby - so ban my heart  
On a funeral pyre  
Dusk in my heart -  
Another day, another night,  
Another... bullshit! another compromise  
Dusk in my mind -  
Another war, another fight,  
Another... bullshit! another false advice  
Burn my head now honey!  
You're just another disease  
Burn my head now honey!  
Blow my lights out honey!  
Just like another disease  
Blow my lights out honey!  
Dusk in my heart, in my mind and my soul
