I tried to relieve myself
I tried to deceive myself

What you see is what you get tonight?
What you see is what you get tonight?
What you see is what you get tonight?
What you see is what you get tonight?

Answer me
Should I stay?
Should I pray - for you?
Should I stay?
Should I pray - for you?

Answer me
Should I stay?
Should I pray - for you?
Should I stay?
Should I pray - for you?

I tried to extend the line
I tried to pretend I'm fine

What you see is what you get tonight?
What you see is what you get tonight?
What you see is what you get tonight?
What you see is what you get tonight?

Tell me why? Give me the reason to purify my mind
Tell me why? Give me the reason to modify my kind

What you see is what you get tonight?
What you see is what you get tonight?
What you see is what you get tonight?
What you see is what you get tonight?

Answer me
Should I stay?
Should I pray - for you?
Should I stay?
Should I pray - for you?
