Cornerstone, cornerstone - Everything must be hidden

I'm on the lookout again  
Because we're playing our game  
I'm waiting on the wall again  
I'm standing close to the goal again

And I hear your breath  
And I smell your fear  
I can't wait any longer  
Because I know what you demand

Cornerstone, cornerstone - Everything must be hidden

1,2,3,4,5,6,7,8,9,10  
Ready or not, here I come!\*

Don't show yourself!

I'm always calling your name  
I'm always looking for your face  
When I finally have you  
We'll play truth or dare

Cornerstone, cornerstone - Everything must be hidden

1,2,3,4,5,6,7,8,9,10  
Ready or not, here I come!  
Don't show yourself!  
Hide yourself

1,2,3,4, cornerstone  
Everything must be hidden

Cornerstone, cornerstone - Everything must be hidden

Ready or not, here I come!

\*Since this song has phrases that correspond to the German version of "Hide and Go Seek" I translated the phrases accordingly. A more literal translation of "Augen auf - ich komme!"

would be "Watch out! - I'm coming!"
