We roll a hundred niggas deep and not one of y'all got
a gun

I bust one shot, you see a hundred niggas run

So sit on black gortex, before test, we all wore vests

dumb ass

Trynna put shit on our name, you gonna get numb fast

Rap in the street, to do without ya

While I haul off and snatch four shit out ya

Look and see my image again when you start

hemorrhaging
And damn, it's cloggin up, the blood he didn't smell
The masses, disastrous, p
