You've set my world on fire
You're such an awesome liar
You've put my soul on ice
I'm gonna pay the prise

So what you see is what you get
So what you see is what you get
So what you see is what you get
So what you see is dead

If you don't think you can save me
Kill me
Kill me again
If you don't think you can save me
Kill me
Kill me again

Your love is making me feel I come dead
Your love is making me feel I come dead
Your love is making me feel I come dead
Your love is making me feel I come dead

I really don't know why
You make me won and die
I see it in your eyes
You're full of brilliant lies

So what you see is what you get
So what you see is what you get
So what you see is what you get
So what you see is dead

If you don't think you can save me
Kill me
Kill me again
If you don't think you can save me
Kill me
Kill me again

Your love is making me feel I come dead
Your love is making me feel I come dead

Your love is making me feel I come dead
Your love is making me feel I come dead

If you don't think you can save me
Kill me
Kill me again
If you don't think you can save me
Kill me
Kill me again

So what you see is what you get
So what you see is what you get
So what you see is what you get
So what you see is dead
