Shrink wrapped in Buffalo then I was packaged with a  
Butterfinger

I went to college via US Mail and then was traded for a  
chocolate Zinger

Sleeping in a top desk drawer thank God for MSG

CHORUS:

Oh oh the places I've been

Oh oh the faces I've seen

Oh oh the places I've been

Oh oh the faces I've seen

I lived a while in a friend's sock drawer now stop before  
you knock it

That was nothing I spent half a month

Stuck in some guy's dress shirt pocket

I know it's crazy I don't even own a pair of shoes

CHORUS

Scotch-taped to the memory card of an Apple IIe  
computer

I would have lived there for the rest of my life

If it wasn't for the Comp. Sci. tutor

Tim and the Polyglots will never be "Big in Japan"

CHORUS

I was homeless for about a year I spent six months in a  
coma

Next thing you know I'm in a hollow tube

Looks like I got an honorary diploma

Just goes to show you that a BA really couldn't hurt

CHORUS

I'm a drifter I move around sometimes I wonder where  
my heart went

Maybe I lost it back in '89 when I was living in a glove  
compartment

I guess that shower really wasn't worth it after all

CHORUS

These days I'm kind of lost, who knows I just might turn  
up later

I'm kinda pining for the good old days when I lived in a  
refrigerator

Dave Lennon better be happy that he's in this song

CHORUS
