Oh shit.. yo, y'knahtsayin?  
That shit just shot duke in the face  
(that nigga right there!)  
Nigga gotta be dead..  
Fuck that then, let's rob that nigga man  
Take that nigga watch and get the fuck out of here  
(fuck him!)

[fredro starr]  
Aiyyo, young brothers out there  
Shouldn't be stickin up people y'know?

[sonee seeza]  
Give me the money, give me the money  
Here comes sonee the greaser  
Sees the hostages; my conscience keeps tellin me I  
should just  
Hit 'em high, hit 'em low, everywhere I go  
There's no coppers, to stop us, the pros, our motto  
Is stick 'n' muve, stick 'n' muve, stick 'n' muve, stick 'n'  
muve

[fredro starr]  
8 o'clock in the mornin, time to wake up  
Another brother gettin paid, and away, it's a stick up  
No time to even, take a bath  
Strictly cash, tax free quick fast  
Grab my polo, jumped in the timberland boots  
I got audi, time to get rowdy  
Shiftee, low down gritty and grimy  
I guess I gotta find my crimey  
Sticky fingaz, yo that's sticky fingaz  
Jetted to the ave. in a half of a second  
He wasn't at the spot, so the stop I was checkin  
Met him on the way, tucked away was the weapon  
Stick 'n' muve, stick 'n' muve, stick 'n' muve, stick 'n'  
muve

[sticky fingaz]  
Single handed me and mickey barely took a trip to

linden

Picked up some cheeba and some brew and yo what else?

Screamin "nothing!"

Now we on the east train back and ?? said "something!"

Oops, since I stooped, the 40-deuce get loose

Seen three other troopers and they tried to call a truce

One had a link, the other a goose

You know what we took, and you know what we left

But the third one played a punk he dissed his posse and stepped

With sticky on the loose, there was nothin he could do

So I pulled out the old tape ducted twenty-two

But that was only petty skills, the Philly ?? Freddie

Stick 'n' muve, stick 'n' muve, stick 'n' muve, stick 'n' muve

[Fredro Starr]

Yeah, yeah; hand over the money

Don't get like "doc, what's up doc? "

This is mugs bunny and ain't nuttin funny; ha, it's a stick up

Sticky got sticky and tricky with the wallet

But this ain't "el segundo"

It's just the four, bad, brothers from the ghetto

Stick 'n' muve, stick 'n' muve, stick 'n' muve, stick 'n' muve

[Suave/Sonee Seeza]

We had an option after 12 in the city

Man we gonna roll with some ( ? ) like nitti

But first we got trips, because the man got geese

Yo mister I just got robbed; have you seen the police?

Nah, none over here - good, so run all your gear

Rolex watch, rings, the Gucci underwear

You might think I'm sorta out of order

But I'll rob you for a quarter - say whitey's youse a goner

Youse a goner wanna, call the pork, pig

Ya dig, police, peace!

Stick 'n' muve.. stick 'n' muve.. stick 'n' muve.. stick 'n' muve

[Fredro Starr]

Aiyyo, young brothers out here

Shouldn't be stickin up people y'know? (that's a no no)

Yeah yeah, hand over the money  
(yeah yeah - gimme the money, gimme the money)  
Yeah yeah, hand over the money  
(yeah yeah - gimme the money, gimme the money)

Hit 'em high, hit 'em low  
Gimme the money, gimme the money  
Hit 'em high, hit 'em low  
Gimme the money, gimme the money  
Hit 'em high, hit 'em low
