Verse 1

Sitting here
My thoughts are there
I wonder where you are now

I heard around that you got another
But I can't help but wonder
If she makes you smile

Bridge

It's a damn shame how I'm missing you
Even though I'm the one who made you first feel blue

(Repeat Bridge)

Chorus

Its not much I can say
I want you baby
Its not much I can say
I need you baby

(Repeat Chorus)

Verse 2

I been all alone
Since you been gone
Can you just tell me
Are you coming back

I can't fit the pieces into the puzzle
Because I'm not clear on all the facts

Bridge 2x

Chorus 2x
