Verse 1

Look what ya did I think you put a spell on me
Your so unique and all the way real ain't nothing phony
I wanna be with you whatever the day whatever the
mood
Be my guiding star so I can follow you where ever you
are

Bridge

Only if they knew how much I adore you
I wish they could see how much you love me

Chorus

Can't get enough- I just can't have enough of you
Need you so much- I need some of your good lovin'

Repeat Chorus 5x

Verse 2

I'll wait for you any day every month
Don't want another you always prove you love me so
much
Passion no pain is how I can explain our days
Jealousy or hate are 2 things that could never stand in
our way
(Jealousy or hate are 2 things that could never stand in
our way)

Bridge 1x

Chorus Repeat 6x

Bridge

Chorus Repeat 6x
