Chorus

You just keep telling me lies
Time after time
When I found her number
Should have been my goodbye

Why did I stay
I knew it was a mistake
But, time and time again
You said she was your friend

You just keep telling me lies
Time after time
When I found her number
Should have been my goodbye

Why did I stay
I knew it was a mistake
But, time and time again
You said she was your friend

Verse 1

All you do is tell me lies
Well, I'm telling you goodbye
You say you never meant to make me cry
But, why am I so hurt deep down inside

I wanna know why
Why you have to hurt me baby
And I don't know why
Why you got to see that lady

She can't be your friend
Friends don't act that funny baby
Stop trying to play me
Your playing me for a dummy baby

Chorus

Verse 2

All you do is lie lie lie
So this is gonna be my very last reply
You and that chick are so fake you are a match made in
heaven
I can't believe that you really think that you are that
clever

To play a game with me
Full of lust and deceit
Lying to my face
You having her in our place
You are a total disgrace

Chorus

Verse 3

I am sick of your lies
So it should come as surprise
That I'm leaving you behind
My love won't be compromised

Won't be compromised.
