### Chorus

You just don't know all the things that you do to me  
You just don't  
Passion erupting when our bodies are touching  
You just don't know all the things that you do to me  
You just don't know

You just don't know all the things that you do to me  
You just don't  
You just don't know all the things that you do to me  
You just don't  
You just don't know all the things that you do to me  
You just don't  
You just don't know all the things that you do to me  
You just don't know

### Verse 1

Step into my room my bodies calling  
When we get to freakin them walls gonna get to talkin  
I want you to come fix me, what your fixin is the  
problem  
If you are the bullets baby I am the revolver

Tonight I'm looking for some satisfaction  
Baby let's make a movie action, action  
I wanna show you what I'm all about

I want your touch all over  
I want to kiss and hold ya  
(repeat)
