### Verse 1:

Ain't it just amazing what we're  
Doin with a little bit of love?  
I was just blazin' now I'm  
Burnin' up with what I'm thinking of  
I'm just a poor boy  
Baby I need your water  
Cause the desert man only need a  
Sip of what he truly be-loves

### Hook:

Could you cool me down?  
Could you cool me down?

### Verse 2:

Hey baby what you  
Trying to do to me?  
Lookin' in your eyes  
But they can see through me  
Can't you see I'm on fire?  
Can't you see I'm on fire?  
Not hangin' at the  
Corner of the dancefloor  
I'm rockin' baby  
What else can you ask for?  
Can't you see I'm on fire?  
Can't you see I'm on fire?

### Hook:

Could you cool me down?  
Could you cool me down?

### Verse 3:

Girl I ain't no Edison  
But I think we can light it up now  
No I ain't no Elephant  
But I ain't got to jot it all down  
It's burnin' in my mind and  
I'm fine with a little bit of torture  
But the thorns in my side go  
Blind whenever we touch

Hook:

Could you cool me down?

Could you cool me down?

Could you cool me down?

Could you cool me down?
