I went to Princeton, bitch, though thatâ€™s something I
donâ€™t say,
cuz thatâ€™ll make anything with a dick run away
So Iâ€™ll play it dumb and in case you hate,
Iâ€™ll only name my college by the town or the state
You get intimidated when you learn my school?
Well you should. Cuz Iâ€™m smarter than you.
But fuck it, ima gonna stop apologizing for penis,
Iâ€™m tired of pretending that Iâ€™m not a fucking
genius.

I went to Princeton, bitch
Yes I did you heard
I went to Princeton, bitch
Phi Beta Kappaâ€™s the word
I went to Princeton, bitch
Itâ€™s a point I donâ€™t beleaguer but this bitch
youâ€™re taking out is an Ivy Leaguer

I guess you wonder why I can float so free
Well, I got a 790 on my verbal SAT.
and I got a lot in common with Michelle Obama,
This brain, these arms and our alma mater.
Old Nassauâ€™s the bomb, number one ranked,
homes
cuz you know I didnâ€™t have to take out any student
loans.
Sang in the glee club cuz Bachâ€™s the shit
Read Proust and Benyamin when I studied comp lit
And I guess youâ€™re gonna ask about my Eating Club
Bitch, please, thatâ€™s Terrace, fool, food equals love

I went to Princeton, bitch
You know I say it proudly
I went to Princeton, bitch
Iâ€™ll make ya summa cum laude
I went to Princeton, bitch
In high school I was over eager, and thatâ€™s how I
became an Ivy Leaguer

So I started liking acting thought Iâ€™d give it a shot
So I studied at Havard with a Russian from ---

Scene training, Shakespeare, movement study was
hardest
But I got an MFA cuz I'm a mother-fucking artist.
Now I live in L.A. writing raps, comedies
And I'm wondering what I'm doing with these
two degrees
Now you know they always told me that knowledge is
power
So how come I can't make more than 14 dollars an
hour?

I went to Princeton, bitch
I don't have money to live
I went to Princeton, bitch
Please let me tutor your kids
I went to Princeton, bitch
My acting income is meager, it doesn't really help
that I'm an Ivy Leaguer

I went to Princeton, bitch
I went to Princeton, bitch
I went to Princeton, bitch
I went to Princeton, bitch
I went to Princeton, bitch.....
