Well, the truth is that you're everything you think you  
are  
You're perfect and you're way too good for me

I'm wrong for you, you told me that  
So, thank god, you won't want me back  
Honestly, I thought you'd never leave

Did I just say what I just said?  
Those words just flew out of my head  
I meant to say I love you, please don't leave

I didn't mean to tell you what I thought  
You're nothin' I like, I'm nothin' you want  
Diggin' a grave, baby this things dead  
Did I just say what I just said?

Yeah, I know that your god's gift to everyone  
So it's not fair to keep you to myself

So go and spread your love around  
Who am I to hold you down?  
I feel like I just got out of hell

Did I just say what I just said?  
Those words just flew out of my head  
I meant to say I love you, please don't leave

I didn't mean to tell you what I thought  
You're nothin' I like, I'm nothin' you want  
Diggin' a grave, baby this things dead  
Did I just say what I just said?  
Did I just say what I just said?

This is goodbye, for good  
I wouldn't take him back if I could  
I don't know why I didn't say it before  
I couldn't hold it in anymore

Did I just say what I just said?  
Those words just flew out of my head

I meant to say I love you, please don't leave

Oh, I didn't mean to tell you what I thought  
You're nothin' I like, I'm nothin' you want  
Diggin' a grave, baby things dead  
Did I just say what I just said?  
Yeah  
Did I just say what I just said?
