No mountain's higher than my heart  
I want to show you my desire  
I'll make this love a brand new start  
I want to walk out on the wire

I'll show you love I'll let you know how I feel  
I wanna fall head over, head over heels  
I'll show you love I'll let you know how I feel  
We're gonna fall head over, head over heels

I've got a secret that I'll share  
With you the one that I desire  
I'll make you breathless if you dare  
No turning back from my wild fire

I'll show you love I'll let you know how I feel  
I wanna fall head over, head over heels  
I'll show you love I'll let you know how I feel  
We're gonna fall head over, head over heels
