And I miss you like ocean needs rain, oh Iâ€™m falling
through
Need you like love needs itâ€™s pain, am I coming
through?
I rip all the clothes off my shame and Iâ€™m all over you

Iâ€™m so onâ€¦!

And I need you like fire needs air, oh Iâ€™m craving you
Swirling from faith to despair, oh Iâ€™m calling you
Shy like a wolf but I dare to be close to you here

Iâ€™m so on..

Thereâ€™s nothing like love when you find who youâ€™re
waiting for
Nothing to slow down my fire, so sensual
Soothing my soul with your eyes and my heart
overflows

Iâ€™m so onâ€¦!
